**Is there electric on the pier?**

Yes, there is electric on the pier, so we are running extension cords. If you want a plug in your area, please bring your own outdoor extension cord and an extra connector if you have one. If you'd like you may bring a fan.

**Is there Wi-Fi on the pier?**

Yes, there is Wi-Fi on the pier and I will give out the password when you arrive.

**Where do we park?**

Parking: If you are staying at the Tides, then you can park in their parking lot. There is parking at the pier for \$8.00 a day. If you don't want to pay to park, you are welcome to unload at the pier and there is free parking along the street. BE there early enough to find a spot.

**Where do we stay?**

Make your own hotel arrangements. If you need a hotel, the Tides hotel is next door to the pier, but we can't get a discount, since it is spring break and they are almost full. But, there is condo's, bed and breakfasts on the island. However, it isn't far to Charleston, about 10-15 minutes away. There is a Holiday Inn Riverview 3 Star 301 Savannah Hwy, Charleston, SC, US, 29407-7263 <http://www.roomstays.com/hotel/192895> and many other hotels in downtown Charlestown <http://www.therealplaces.com/hotels-in-Avondale-neighborhood/Charleston/4569785>. If you stay in old Charleston then you get the beach and spend the night in lovely Charleston, SC, not a bad deal.

**What is there for family members to do?**

There's plenty of beach and playing in the Atlantic Ocean. If you have family that wants to fish on the pier you can check out the prices <http://ccprc.com/index.aspx?NID=1753>

**How many books or artwork do I bring?**

That is up to you, and we hope we all sell out of our books and products.
